## NOTIFICATION FOR SUBJECT RESTRICTION FOR ONLINE ADMISSION

As per seat capacity of Chanchal college, the total number of seats available for the students is limited both for honours and General subjects along with their choice of combinations. Therefore, merit list will be closed as soon as all the seats are filled up for honours courses. For general courses, students can be admitted with their desired subject combination depending on the subject availability. If a student is unable to get a particular subject as first subject, they can try the same subject as second subject option. Upon the exhaustion of second choice, they have to try the same subject as 3<sup>rd</sup> subject.

As an example, maximum 150 students having honours in any Subjects, can avail a particular subject A as GE-1 and another 150 students having honours in any Subjects, can avail the same subject A as GE-2.

In case of BA general stream, maximum 300 students can get subject A as 1<sup>st</sup> subject in subject combination and the another 300 students can get subject A as 2<sup>nd</sup> subject. 500 students can opt the same subject A as 3<sup>rd</sup> subject in their subject combination with other two general subjects B and C.

The admission will be done in purely merit basis and it will be first cum first serve basis within a particular merit list.
